

Salt Shakers 2010

Beginning in January 2010 through April, FBC members and friends will have the opportunity to participate in Salt Shakers.

This is a great way to get together informally and get better acquainted with persons we may see on a Sunday or Wednesday. It's also a great way to get to know new members.

There will be four special evenings of dinner and conversation for all adults who wish to participate. Each dinner will be hosted in a different home and attended by a different group of eight (host included) persons.

A total of 16 couples/or singles paired (32) persons) can participate.

Salt Shakers is one of the initiatives from VISION 2012 with the goal of deepening the fellowship between church members.

Here's how it works...

- Four couples/singles paired will be grouped together to compose each Salt Shaker group.
- The groups will rotate so that everyone will have the opportunity to fellowship over a four month period with all 32 persons.
- These groups will be made up of people of different age groups, different Sunday School classes, different interests in the church, etc. Please remember this is a four month commitment.

In each grouping, one couple will be the host and provide the meat and beverage;

The second couple will provide the vegetable;

The third, salad and bread.

And the fourth, the dessert.

- Every couple will host once. The host will decide the menu and contact each participant. The time will be from 5-7. If guest find that they cannot attend, they should contact the host early. The host may then invite someone else from the church family to complete the group. A list of persons interested in participating

on a fill-in basis will be available in the church office for your consultation.
